

Following the tradition of recent editions of EPIA, the 2011 Portuguese Conference on Artificial Intelligence will be organised as a federation of workshops. The international Artificial Intelligence community is invited to submit proposals of autonomous and independent workshops covering all areas of AI, including theoretical, philosophical, foundational, application-oriented, integrative, and multi-disciplinary.

The Conference Program Chairs will be Luis Antunes (Universidade de Lisboa) and H. Sofia Pinto (Universidade Tecnica de Lisboa).

Submission of workshop proposals: January 10, 2011

Notification of workshop acceptance: February 1, 2011

Deadline for paper submission: April 5, 2011

Paper acceptance notifications, registration opening: June 1, 2011

Camera-ready papers: July 3, 2011

Conference: October 10-13, 2011
